

CYPRUS MARITIME ACADEMY

- ▶ BSc Nautical Science
(Officer in Charge of Navigational Watch)
- ▶ BSc Marine Engineering
(Officer in Charge of Engineering Watch)
- ▶ BSc Marine Electro-technology
(Electro-technical Officer)

The Cyprus Maritime Academy (CyMA for short), part of the educational network of the University of Nicosia, offers Competency certifications in the field of Nautical Science (Officer in Charge of a Navigational Watch), Marine Engineering (Officer in Charge of an Engineering Watch) and Marine Electro-technology (Electro-technical Officer). The three competencies have been approved by the Deputy Ministry of Shipping, the appropriate

authority in Cyprus, and are designed based on the standards of the STCW International Convention. The programmes have also been approved by the Cyprus Agency of Quality Assurance and Accreditation in Higher Education (DI.P.A.E.), which is the competent Authority responsible for ensuring the quality of higher education in Cyprus under Intercollege in order for our cadets to be able to obtain a Bachelor's Degree in their respective field of study.

The University of Nicosia (UNIC, for short) is the place where you can build your future. We are the largest university in Cyprus, with more than 11,000 students from over 70 countries across the globe, coming together in an innovative and transformative learning space. Located in Nicosia, the country's capital, and with

presence in 18 other cities worldwide, we are driven by our pursuit of excellence in teaching and learning, innovation, research, technology, and a continually evolving academic environment. We empower our students and instill in them the confidence to make an impact in the world.
